Pearl Harbor Apprenticeship Program

August 2, 2011

Dear Prospective Apprentice,

If you are selected for the Pearl Harbor Apprenticeship Program, you will be required to enroll in the Applied Trades Program with Honolulu Community College in the Spring 2012 semester. Please prepare the health clearance documents required for admission. Representatives from HCC will be onsite to collect all documents during your scheduled "preprocessing" appointment at Pearl Harbor. They will also have the University of Hawaii System Application Form you submitted during the Asset Testing. *Failure to submit a completed application and required health documents may delay admission to HCC and result in late registration fees.*

Health Clearance

Refer to Health Clearance Information flyer for more detailed information.

1. TB clearance must be issued **after January 10, 2011**.
2. MMR:
   Proof of two (2) Measles Mumps Rubella (MMR) shots **or** combination of one (1) Measles shot & one (1) MMR shot.

If you have questions, please call the HCC representatives, Jeannie Shaw or Cory Kumataka at (808) 473-8000 ext.6290 or ext. 5260.

Sincerely,

Jeannie Shaw
Honolulu Community College Education Coordinator
Pearl Harbor Apprenticeship Program

HEALTH CLEARANCE INFORMATION

All health documents should be faxed to the Pearl Harbor Apprentice Program at (808) 474-0405, Attn: Cory Kumataka.

Official copies of health records OR a signed note from your physician on official stationary can be submitted to meet health clearance requirements. Please be sure that documentation clearly states your name and Student ID or Social Security Number.

Students without health clearance will not be allowed to register. If you have questions, please call (808) 473-8000 ext. 6290 or ext. 5260.

Required Health Clearances:

1) **TB Clearance** must be issued after January 10, 2011.
   PPD skin test must be intradermal & <10mm. Tine or Monovac (multi-puncture) tests are not acceptable. A negative chest x-ray report signed by the Radiologist is required for skin tests 10mm or larger.

2) **MMR Clearance**: Proof of two (2) Measles Mumps Rubella (MMR) shots **or** combination of 1 Measles shot & 1 MMR shot required; shots should be one month apart, given on or after 1/1/68, and/or after 1st birthday **OR** if student previously had the shots or the disease, but does not have a record of it, a positive MMR IgG blood test report signed by an M.D. is acceptable.

Where Can I Get Blood Tests or MMR Shots?

You are encouraged to see your personal physician for copies of your immunization records and guidance. In the event that your physician cannot be reached, a list has been compiled (as of September 2005) of locations that offer MMR blood tests or shots, no endorsements intended. Information listed is subject to change. Contact the sites listed below for updated hours, cost, and other information.

MMR Blood Testing Sites

- Discount coupon for MMR blood test at **Kalihi-Palama Health Center** must be obtained first from the HCC Health Office or the HCC Admissions Office. Then, proceed to Kalihi-Palama Health Center at 915 N. King Street, Phone 848-1438. Bring I.D. Pay by cash or credit card. Results Mumps-1 week; Measles & Rubella-2 days.
