Navy Band Southwest

Sponsor Requirements

Information for Sponsoring Organizations

As a sponsor for Navy Band Southwest, we ask that you take care of certain functions in anticipation of the band's arrival and to serve as a liaison with the local organizations hosting band performances. This information is intended to make your job easier and give you a better understanding of the band's requirements. Please contact our Operations Coordinator if you have any questions or need assistance.

Performance Area

Please provide the following at the engagement site:

- Performance areas should be clean, dry, flat, and well lighted. Whenever possible, a stage surface or platform should be provided. Outdoor performance areas should be covered to provide protection from sun and rain.
- The sponsor or his/her representative should be available on site before and throughout the engagement, including set-up and pack-up.
- Easy access to water before and after the performance.
- Lockable changing areas for male and female members with easy access to restroom facilities.
- Security for the equipment in the performance area throughout the engagement.

Showband West Logistical Requirements

- 15 Musicians
- Parking for 2 15-passenger vans and 1 two-ton truck
- 2 isolated 20-amp grounded outlets within 25' of staging area
- 20' deep by 30' wide staging area
- Approximately 3000 lbs. of equipment
