DAWN OF THE PLANET OF THE APES (PG-13)

Starring: Andy Serkis, Jason Clarke, Gary Oldman, Keri Russell and Toby Kebbell

A growing nation of genetically evolved apes led by Caesar is threatened by a band of human survivors of the devastating virus unleashed a decade earlier. They reach a fragile peace, but it proves short-lived, as both sides are brought to the brink of a war that will determine who will emerge as Earth's dominant species.
