

AIRPORT SECTION UTILITIES CONSTRUCTION TRAFFIC MODIFICATION NOTICE

The Airport Section Utilities project will be working within the westbound traffic lanes along Kamehameha Highway from Center Drive to Radford Drive. This work will begin in February 2015 and is scheduled to last for approximately 3 – 4 months.

As a result, traffic patterns will be changed from the hours between 8:30 AM – 2:30 PM and we ask drivers to proceed with caution while approaching and traveling through these temporary lane modifications.

Westbound from Nimitz to Kamehameha Highway

Traffic signage and cones will be placed along Mauka Frontage Road westbound to close the right through lane leading to the intersection of Kamehameha Highway and Center Drive. A right turn only lane onto Center Drive will be maintained.

The right turn only lane from Center Drive onto Kamehameha Highway will be closed. A right turn will be allowed from the intersection.

Notice for travelers by bus:

The bus stop at Kamehameha Hwy and Center Drive is closed during construction hours. Signage and temporary bus stop will be provided. Updated bus route temporary changes and Rider Alerts can be found at www.TheBus.org.

Westbound along Kamehameha Highway from Center Drive to Radford Drive

Two westbound right lanes will be closed and traffic will be guided towards the center lane. The right turn only lane from Kamehameha Highway onto Radford Drive will be closed. A right turn will be allowed from the intersection.

Eastbound along Kamehameha Highway

A section of the center eastbound lane will be closed to serve as a contraflow lane for westbound drivers to go through the median to make a left turn onto Makalapa Road.
