Subj: ENVIRONMENTAL POLICY STATEMENT

1. Naval Construction Battalion Center (NCBC), Gulfport, MS and our major tenants and contractors recognize environmental excellence as a principal factor in successful mission accomplishment. We have established a goal of protecting, preserving, and conserving our environment through active stewardship and advocacy for our unique natural infrastructure. To accomplish our goal, we collectively commit to prevention of pollution and compliance with environmental laws and regulations through a process of continual improvement. We will be guided in our efforts by the following principles:

a. Strive to incorporate environmental policies into planning, decision-making, and business practices throughout NCBC Gulfport.

b. Evaluate our practices and develop procedures, objectives, targets and programs to meet our established goals and mitigate environmental impacts.

c. Conduct periodic management reviews to assess the achievement of our objectives and targets, and to determine the effectiveness of our environmental management system as a process for continual improvement.

d. Communicate our Environmental Policy to all personnel and educate them in their roles and responsibilities to minimize the impact of their work activities to the environment.
