Supporting Military Children and Youth and Those Who Support Them

This summer MWR will provide a new FREE service to CFA Yokosuka.

When Ships pull out it often leaves youth with a sense of loss and confusion. The Military & Family Life Consultant can meet with families/children to provide confidential short-term problem-solving support to help partner with the existing support services here in Yokosuka.

Services are private with the exception of duty-to-warn situations (no records are kept). If you or someone you know could benefit from this FREE service please set up an appointment with Yokosuka's Consultant.

Call 080-4042-1997 or leave a message at 241-4904.
