In ParaNorman, a small town comes under siege by zombies. Who can it call? Only misunderstood local boy Norman, who is able to speak with the dead. In addition to the zombies, he'll have to take on ghosts, witches and, worst of all, moronic grown-ups, to save his town from a centuries-old curse. But this young ghoul whisperer may find his paranormal activities pushed to their otherworldly limits.

Argo (R)

Starring: Kyle Chandler, Bryan Cranston, Ben Affleck John Goodman and Clea DuVall

"Argo" chronicles the life-or-death covert operation to rescue six Americans, which unfolded behind the scenes of the Iran hostage crisis-the truth of which was unknown by the public for decades. On November 4, 1979, as the Iranian revolution reaches its boiling point, militants storm the U.S. embassy in Tehran, taking 52 Americans hostage. But, in the midst of the chaos, six Americans manage to slip away and find refuge in the home of the Canadian ambassador. Knowing it is only a matter of time before the six are found out and likely killed, a CIA "exfiltration" specialist named Tony Mendez comes up with a risky plan to get them safely out of the country.
