Waimea Canyon Elementary and Middle [S/P]
Waimea High [S/P]

Facilities designated to serve as Special Needs Shelters provide limited support to persons with special health needs. Special health needs evacuees must either be capable of taking care of their own needs or be accompanied by a caregiver.

Pet Friendly Shelters are co-located with some general population shelters. Household pets entering a pet friendly shelter must be caged for safety and owners should provide water and food for their pets.

Since public shelters do **NOT** stock supplies, please bring provisions from your emergency supply kit at home. You will need at least two days worth of food, water, and personal items for yourself, family members, and household pets.
