

QUESTIONS TO ASK CAR DEALERS

ABOUT SPECIAL DEALER PROMOTIONS:

Does the advertised trade-in allowance apply to all cars, regardless of their condition?

Does a large trade-in allowance make the cost of a new car higher than it would be if you didn't have a trade-in?

Is the dealer who offers high trade-in allowances and free or low-cost options actually giving you a better price on the car than another dealer who does not offer such promotions?

Does the dealer's invoice reflect the costs of options, such as rustproofing or waterproofing, that have already been added to your car? What are other dealers charging for these options?

Does the dealer have other cars in stock without expensive added features? If not, can the dealer order one?

Are the special offers available only if you order rather than buying it off the lot?

Can you take advantage of all special offers simultaneously?

ABOUT LOW INTEREST DEALER FINANCING:

Will you be charged a higher price for the car to qualify for the low financing?

Does the low-rate financing require a larger-than-usual down payment? Say 25 percent to 30 percent?

Are you required to pay the loan off in a shorter period of time, say 12 or 24 months, to qualify for the low-rate financing? If this is the case, your monthly payments will be higher.

Do you have to buy extra merchandise or services to qualify for the low-rate financing?

Is the financing available for a limited time only, and does it require that you take delivery of the car by a specific date?

Does the low interest rate apply to all cars or only certain models in stock?

If a manufacturer's rebate is offered, are you required to give it to the dealer to qualify for the financing?

REMEMBER, CAREFUL SHOPPING WILL HELP YOU DECIDE WHICH FINANCING, WHICH CAR, AND WHICH OPTIONS ARE BEST FOR YOU!
