

## COMFLEACT YOKOSUKA INDIVIDUAL/FAMILY TROPICAL STORM CHECKLIST

<b>TCCOR 5:</b> TCCOR setting outside “typhoon season “ (1 Dec to 31 May)	
Register self and family members in the CFAY Computer Desktop Notification System (CDNS) to receive notification regarding tropical cyclone and other important information ( <a href="https://www.cnic.navy.mil/regions/cnrj/installations/cfa_yokosuka.html">https://www.cnic.navy.mil/regions/cnrj/installations/cfa_yokosuka.html</a> )	
Maintain a disaster supply kit (info at <a href="https://www.ready.gov/kit">https://www.ready.gov/kit</a> )	
Maintain a “bug out” kit containing important documents and personal valuables	
Ensure sufficient medication on-hand to “ride out” the storm	
Make a family emergency and communication plan (info at <a href="https://www.ready.gov/make-a-plan">https://www.ready.gov/make-a-plan</a> )	
Build a power outage kit (portable power supply, flashlight, candles, battery-powered radio, etc.)	
Have current emergency contact information on-hand	
<b>TCCOR 4:</b> Destructive winds are possible within 72 hours	
Review this checklist and be prepared for higher TCCOR notification	
Secure or stow loose items in and around outdoor quarters areas that can be a flying hazard or cause debris in strong winds	
Consider going to the commissary before shelves are emptied!	
Monitor progress of storm via Channel 15 or CFAY Facebook page	
<b>TCCOR 3:</b> Destructive winds are possible within 48 hours	
Perform cursory inspection of quarters for structural integrity (contact housing maintenance if repairs are needed for broken windows, loose door hinges, etc.)	
Secure large and bulky items (picnic tables, trash cans, trampolines, barbecue grills, bicycles, etc.)	
Ensure car’s gas tank is full	
Be prepared for school closure and early school bus runs	
Monitor progress of storm via Channel 15 or CFAY Facebook page	
<b>TCCOR 2:</b> Destructive winds are anticipated within 24 hours	
Prepare water containers for drinking and sanitation	
Withdraw emergency cash as ATMs may be down and banks may remain closed after the storm	
Monitor progress of storm via Channel 15 or CFAY Facebook page	
<b>TCCOR 1:</b> Destructive winds are anticipated within 12 hours	
Fill up water containers for emergency drinking and sanitation (2 quarts drinking water and one gallon water for sanitation per day for each person)	
Lower temperature setting on refrigerators and minimize opening and closing	
Do not tape windows on military family housing (MFH) quarters	
Bring pets indoors	
Monitor progress of storm via Channel 15 or CFAY Facebook page	
<b>TCCOR 1 CAUTION:</b> Winds of 35-49 knots sustained are occurring	
Secure all doors, windows, and shutters	
Remain indoors and do not go outside for any reason!	
Monitor progress of storm via Channel 15 or CFAY Facebook page	
<b>TCCOR 1 EMERGENCY:</b> Winds of 50 knots sustained or gusts of 60 knots or greater are occurring	
Continue TCCOR 1 Caution actions	
<b>TCCOR 1 RECOVERY:</b> Destructive winds have subsided and damage assessment/recovery crews are dispatched	
Remain indoors but be prepared to go outside and inspect outdoor quarters areas	
Monitor progress of storm via Channel 15 or CFAY Facebook page	
<b>TCCOR 1 STORM WATCH:</b> Storm has passed but probability of high winds still exists	
Perform a damage assessment of quarters and contact MFH maintenance to report damages that need to be repaired	
Return to work within 2 hours following Storm Watch declaration unless otherwise directed by command	
Continue to monitor Channel 15 or CFAY Facebook until declaration of <b>ALL CLEAR</b>
