Comedy and Variety Show

May 23, 2014 • 2000-2130 • Rudders
Featuring Jeff & Kimberly Bornstein, Chris Mitchell and Jay Dee.

Join MWR as we welcome Operation Magic back to NAS Meridian.

The event will take place on May 23, 2014 at Rudders with a 90 minute set beginning at 2000.

The show, which is FREE, will feature performances by the amazing mind reading duo, Jeff and Kimberly Bornstein; Comedy Magician, Chris Mitchell, and Comedian Jay Dee.

Most recently featured on the hit TV show "Masters of Illusion", the Bornsteins present their show "MIND MELD". You are guaranteed to be BAF-FLED and AMAZED as Kimberly, blindfolded on stage calls out the personal items you are holding, like the amount of change in your pocket or a name and phone number on your personal cell phone.

You're holding a picture of a loved one and Kimberly seems to know the name of that person, the type of car you drive and ANY serial number on any currency!

The show is packed with laughs that features guest talent demonstrating mind-bending displays of magic.

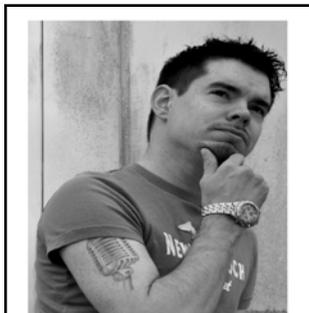

THE BORNSTEINS

Amazing Mind Reading Duo - What happens when a beautiful Mind Reader marries a Hollywood Stuntman? They create a (Knockout) show (full) of mind reading stunts that will BLOW-YOUR-MIND!

Chris Mitchell

Comedy Magician - If you take a healthy dose of comedy, throw in a handful of magic, and blend it, you have the recipe for The Chris Mitchell Show.

Jay Dee

COMEDIAN- Jay Dee, born in Tulsa and raised by a pack of inbred wolves, is one of the fastest rising stars on the stand-up comedy circuit.

Movie In The Barracks!

May 29, 2014 • 1800

Robocop • Rated PG13

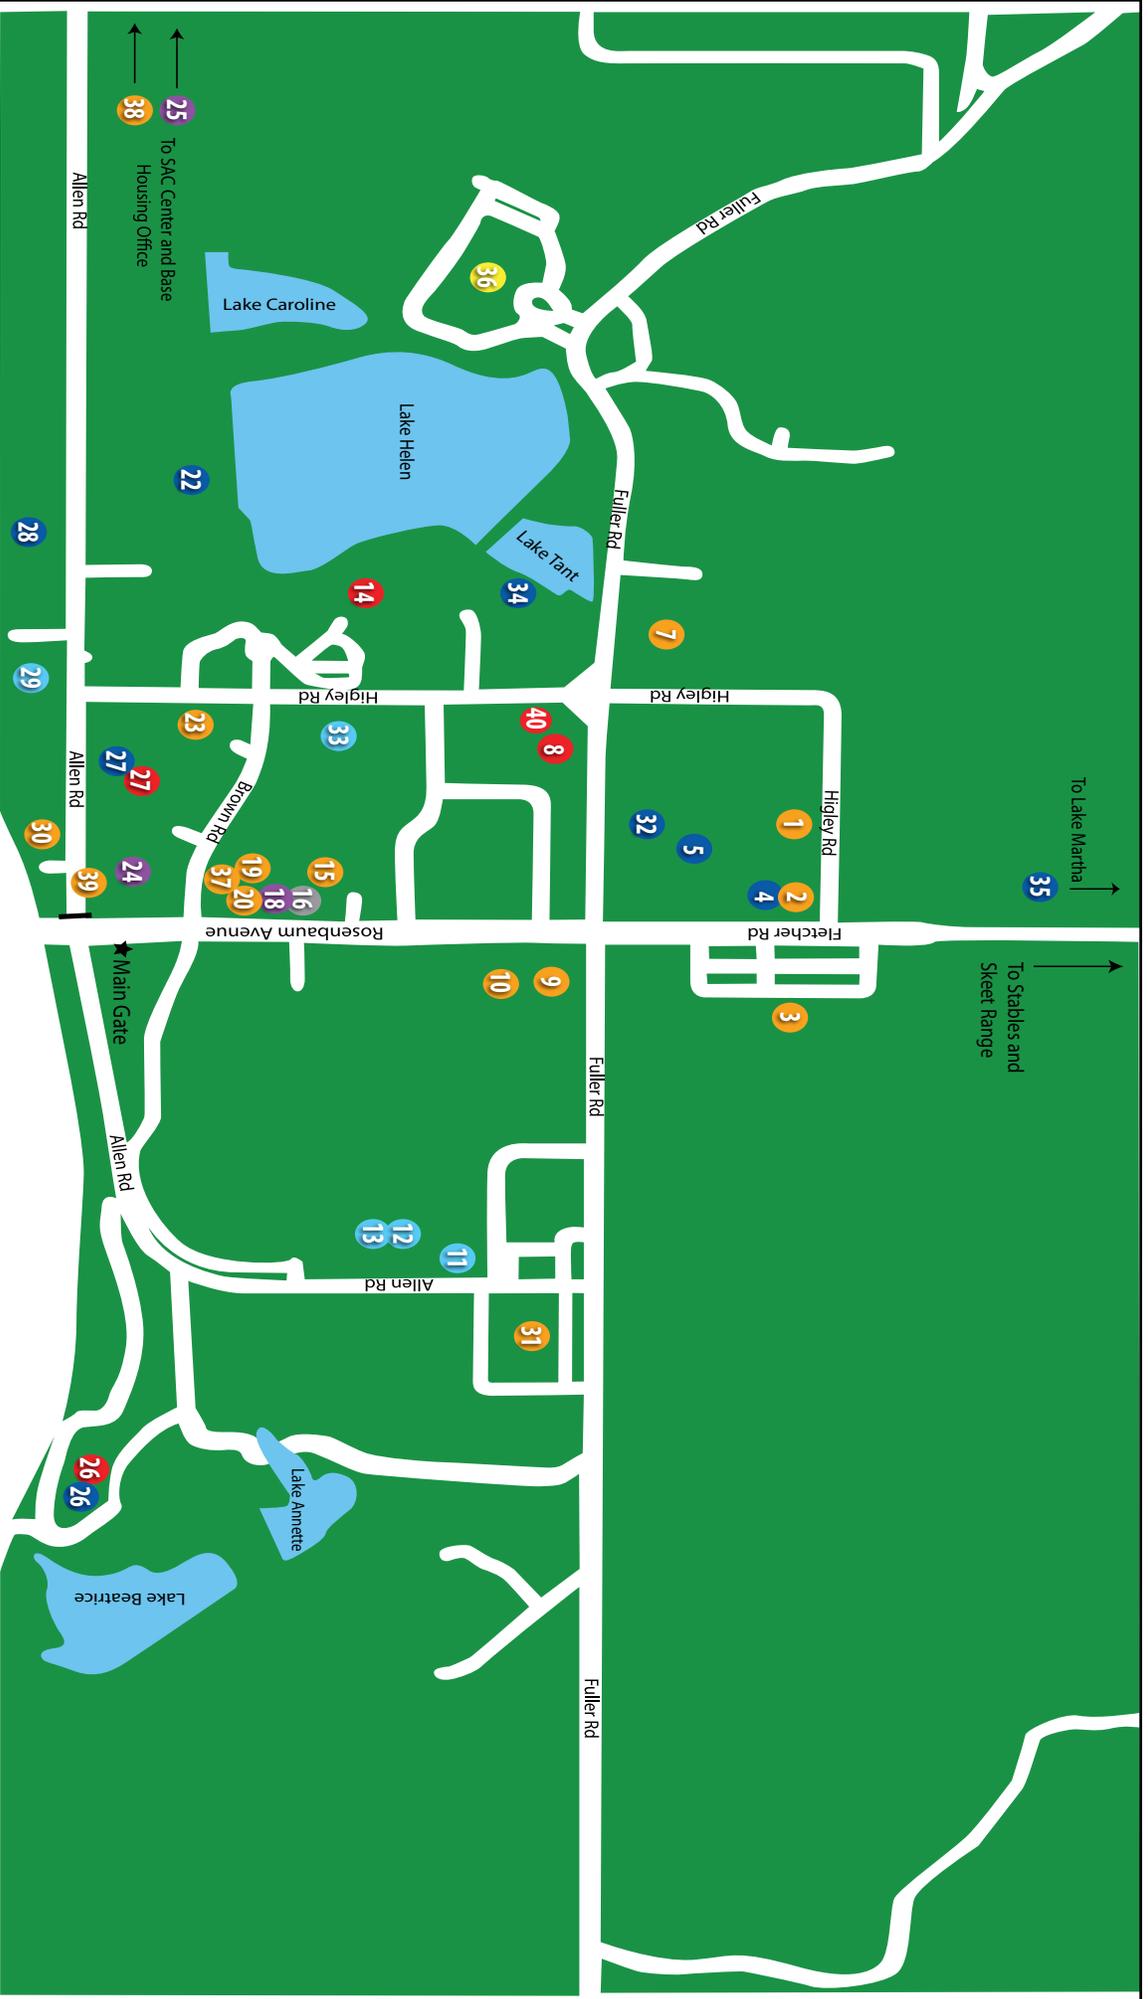

Starring: Joel Kinnaman, Gary Oldman, Micheal Keaton, Abbie Cornish and Jacki Haley

The year is 2028 and multinational conglomerate OmniCorp is at the center of robot technology. Overseas, their drones have been used by the military for years - and it's meant billions for OmniCorp's bottom line. Now OmniCorp wants to bring their controversial technology to the home front, and they see a golden opportunity to do it. When Alex Murphy - a loving husband, father and good cop doing his best to stem the tide of crime and corruption in Detroit - is critically injured in the line of duty, OmniCorp sees their chance to build a part-man, part-robot police officer. OmniCorp envisions a RoboCop in every city and even more billions for their shareholders, but they never counted on one thing: there is still a man inside the machine pursuing justice.

Rated PG13 for intense sequences of action including frenetic gun violence throughout, brief strong language, sensuality and some drug material.

*Event begins at 1800 and the movie will start at dark. Open to all NTTC and MATSS-1 students. MWR will provide FREE pizza and drinks!
