Press Release

Naval Construction Group 2 to change hands

GULFPORT, Miss. – Captain John J. Adametz will assume command of Naval Construction Group TWO (NCG 2) during a change of command ceremony at 9:30 a.m., Aug. 29 at the base Training Hall on board the Naval Construction Battalion Center here. Adametz will relieve Capt. Darius Banaji who has accepted an assignment as the commanding officer of Naval Facilities Engineering Command (NAVFAC) South West in San Diego.

Adametz most recently was the operations officer at NAVFAC Mid-Atlantic in Norfolk, Va., but is no stranger to Gulfport. He served two tours with Naval Mobile Construction Battalion 7, which was decommissioned Sept. 5, 2012.

He takes over NCG 2, which was stood up Feb. 26 as the 25th Naval Construction Regiment (25 NCR) was decommissioned, and the 20th Seabee Readiness Group (20 SRG) was renamed NCG 2 in a historic ceremony on base.

NCG 2 reports to Navy Expeditionary Combat Command (NECC) in Norfolk and oversees Atlantic Naval Construction Forces. NCG 2 includes an embedded deployable

battle staff (22 NCR) capable of executing combat service support missions across the spectrum of joint and combined environments while providing command and control over NECC units operating in a full range of worldwide military operations.
