COMMANDING OFFICER'S CY 2015
SAFETY PROGRAM GOALS AND OBJECTIVES

GOAL: Achieve "STAR" status in the Voluntary Protection Program
Through the following objectives:

- Maintain injuries and illnesses below (North American Industry Classification System (NAICS) code 561210 Government Base Facilities Operation Support Services) for the TCIR of 6.2 and the DART of 2.6.
- Ensure that all Management Assessment Program (MAP) self safety inspections are completed during their assigned months.
- Strive to maintain a 95 - 99 percent ESAMS safety training completion rate.
- Indoctrinate all new personnel within 30 days on the Voluntary Protection Program.
- Complete/update all Job Hazard Analyses (JHA's) as needed but at least annually.
- Work to ensure all new processes and changes are routed to Safety/Industrial Hygiene for evaluation.
- Continue to mentor supervisors and employees on safety and the VPP.
- Work to ensure all unsafe working conditions and near misses are reported preferably the same day.
- Work with Fire Prevention to ensure annual fire drills are conducted on all occupied building at least annually.
- Recognize personnel for excellence in safety.
- Strive to abate open deficiencies or put interim controls and projects to correct within 24 hours of discovery.
- Complete all scheduled Annual NAVOSH Inspections in the months they are scheduled.
