Subj: STATEMENT OF SUPPORT FOR THE DEPARTMENT OF DEFENSE (DOD)
PROGRAM FOR STABILITY OF CIVILIAN EMPLOYMENT

1. The DoD Program for Stability of Civilian Employment, commonly referred to as the Priority Placement Program (PPP), has traditionally provided effective outplacement assistance for base closure, consolidations, position classification decisions, rotation from overseas, and transfers of function. This program is a strong unified defense-wide effort that impacts recruitment and placement by matching vacancies against the registration of surplus employees.

2. I personally endorse and am firmly committed to the utilization and participation in the DOD Program for Stability of Civilian Employment. The management and staff of the Human Resources and Organizational Management Branch will administer the policies and procedures of this program and ensure that managers, supervisors, staff officials, and employees of our serviced activities are provided with the necessary professional advice and guidance for positive compliance with all provisions of this program.
