MEMORANDUM

From: Public Works Officer, Naval Support Activity, Bethesda
To: Commanding Officer, Naval Support Activity, Bethesda

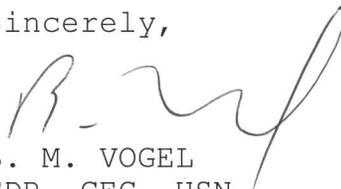

Subj: 2013 WASHINGTON SUBURBAN SANITARY COMMISSION WATER
QUALITY REPORT

Ref: (a) OPNAVINST 5090.1D

Encl: (1) 2013 WSSC Water Quality Report

1. Per reference (a), OPNAVINST 5090.1D, the Environmental Program Division reviews annual Washington Suburban Sanitary Commission (WSSC) water quality reports for compliance with regulatory standards.
2. Forwarded for your review is the 2013 WSSC Water Quality Report, enclosure (1). This report details the quality of water supplied to NSAB by WSSC, which meets or exceeds all US Environmental Protection Agency standards for safety and quality. This report may be distributed to all NSAB departments and tenant organizations.
4. If you have any questions or require additional information please contact Ms. LaTonya Nimmons at (301) 295-2708 or Mr. Mark Liau at (301) 295-2038 in the Environmental Programs Division.

Sincerely,

B. M. VOGEL
CDR, CEC, USN
