COMMUNITY READINESS CENTER October 22, 2011.**

By reading the following statements and registering you agree to abide by the policies and procedures for the Bi-Annual Modeling Fair.

1. I understand that I am responsible for making my own copies of the Talent Application Form and photos. I will make the amount of copies equal to the number of agencies each model will be registering with. The Fleet and Family Support Center (FFSC) will not make copies for me. I understand that it is recommended that I attach a photo to each application form even though most agencies will be taking photos at the fair. The agency will decide to use my photos or take their own. The photos that are used will not be returned to me.
2. I understand that I will attend the Fair only at the time session that I signed up for and only for the 1 hour 30-minute period allowed. I will promptly leave the modeling fair at the end of my session.

If I miss my scheduled session or I am not able to visit all of the agencies I am interested in I may leave a copy of my Talent Application Form and photos in an envelope addressed to the agency at the drop box located near the exit door.
4. I will cooperate fully with the FFSC staff when asked to depart at the end of my session.
5. I understand that I will have to leave if I or my child(ren)'s behavior causes a disturbance or endangers the safety of any other person or session attendees.
