

# KURIHAMA FLOWER WORLD

**KURIHAMA FLOWER WORLD** (くりはま花の国) is a fun place for families to have a picnic or just enjoy nature. **Flower World** is a seasonal flower park filled with poppies in spring and cosmos in fall. There is even an **Herb Garden** for those who have a green thumb or enjoy gardening. To keep the kids entertained, **Adventure Land** is a huge playground with an amazing wooden and rope playground, a long roller slide, and a giant Godzilla slide. It is highly recommend for visitors to use the Cosmo tourist wheeled train (Fee: ¥190; runs 3x per hour) unless you prefer a long, steep hike to the playground on top of the hill.

The park is free except for the entrance (¥500 for adults and ¥200 for children) to the Herb Garden. You can bring your own picnic basket or buy food at the two restaurants located inside the park. Snacks and ice cream are available at a restaurant near the playground on weekends and daily during the summer season. It is open every day from 0900 to 1800.
