Pick the Perfect Gift This Holiday Season – a NEX Gift Cards

NEX Gift Cards make the perfect gift this holiday season. NEX Gift Cards have no fees or expiration dates and can be purchased for varying amounts beginning at just \$5. They can be purchased at any NEX worldwide by either authorized or non-authorized customers. However, the NEX Gift Cards can only be redeemed by authorized military exchange customers.

"NEX Gift Cards make the perfect gift for military customers," said Mike Powers, Director, Retail Operations at the Navy Exchange Service Command (NEXCOM). "We know that military families often live away from their loved ones. NEX Gift Cards are easy to mail and allow the recipient to choose their own perfect gift. Plus, NEX Gift Cards can be redeemed at any military exchange around the world, which adds to its convenience."

NEX Gift Cards can be used just like cash for most merchandise and service purchases, make layaway payments or place special orders. Customers have the ability to get their NEX Gift Card balance online at myNavyExchange.com.
