## Battle of Midway

**A Fleet Commemoration of the Battle of Midway will be held aboard USS GEORGE H.W. BUSH on Friday, 4 Jun at 1000.**

On 4 June 1942, a Japanese armada steamed towards Midway with intent to destroy all U.S. forces on the atoll, establish its own base, and draw out and destroy U.S. aircraft carriers operating unchecked since February 1942. Unbeknownst to Japan, however, their naval code had been broken, and the United States was prepared for the attack. When a Navy flying boat pilot spotted Japanese ships on 3 June, U.S. forces deployed to counter the thrust and surprised the enemy. The ensuing Battle of Midway (4-6 June 1942) would spell the beginning of the end for the enemy and helped set the United States and its allies on the road to victory in World War II. As World War II veterans pass from our lives, we must carry their legacy forward by speaking to our Sailors and to the public about their contributions to the Navy and the nation.

## Divorce Recovery Retreat

CREDO is going to offer for the first time a Divorce Recovery Retreat on 9-11 July. The divorce rate is high in the military, and if you don't heal from it, it is likely to happen again. It does not matter if the divorce happened last year or five years ago, if the issues and hurt haven't been addressed, they are probably still with you. Like all CREDO retreats, this retreat is free, and will be at a retreat center (i.e., free room and board.) To register, call the CREDO office (444-1091). One caveat: you need to be divorced to attend!
