Team Deuces crushed the Outlaws 13 to 4 in a joint-service softball game held on board NAS Fort Worth JRB's softball field on Aug. 11.

Team Deuces is composed of service members and a government civilian employee from Marine Aircraft Group 41, Fort Worth's Naval Operations Support Center, Fort Worth's Branch Health and Dental Clinic, and the 8th Marine Corps Recruiting District.

"We definitely played well together; we made continual base runs and our defense was on top of things," said Lance Cpl. Brian O. Sires, a 19-year-old training and operations clerk with Marine Fighter Attack Squadron 112.

"We kept our composure after we made a few errors, and morale was high three home runs later," said Navy Chief Michael W. Morang, a Hospital Corpsman with MAG-41.
