10-9 NON GSA-APPROVED SECURITY CONTAINERS

Immediately remove security containers manufactured by Remington Rand from service and dispose of them under accepted safety standards. Previously approved two- and four-drawer Class 5 security containers manufactured by Art Metal Products, Inc., are no longer authorized for the protection of classified information.

10-10 RESIDENTIAL STORAGE

1. Top Secret information may be removed from designated areas for work at home during off-duty hours only as authorized by the SECDEF, the Secretaries of the Military Departments, the Combatant Commander, and the CNO (N09N).
2. Secret and Confidential information may be removed from designated areas for work at home during off-duty hours only as authorized by the CNO (N09N), a Fleet Commander in Chief, the Commander of the Naval Space Command, the Commanders of the Naval Systems Commands, the Chief of Naval Research, the Commandant of the Marine Corps, or the Commanding General of U.S. Marine Corps Forces Atlantic or Pacific.
3. A critical operational requirement shall exist for consideration of such requests. A GSA-approved security container shall be furnished for residential storage. Additionally, Top Secret information shall be protected with an IDS or comparable supplemental controls. Written procedures shall be developed to provide for appropriate protection of the information, to include a record of the classified information that is authorized for removal.

10-11 REPLACEMENT OF COMBINATION LOCKS

1. Exhibit 10B is the priority list for replacing existing mechanical combination locks with locks meeting Federal Specification FF-L-2740. The mission and location of the command, the classification level and sensitivity of the information, and the overall security posture of the command determines the priority for replacement of existing combination locks. All system components and supplemental security measures including IDS, automated entry control subsystems, video assessment subsystems, and level of operations shall be evaluated
