Our Best for You!

Resident Satisfaction Survey Strive for 5!

Your opinion matters! The Resident Satisfaction Survey is coming your way this month and your feedback is important. This annual survey measures how well Lincoln Military Housing is meeting your needs and expectations as our valued resident. Your survey responses will assist Lincoln Military Housing in providing you & your family with the quality homes, communities, & services you have come to expect.

- Surveys will be sent electronically to the email address you provided to the housing office. This will allow both the service member and his/her spouse the opportunity to complete the survey together.
- Surveys will be sent out during the second week of October. If you do not receive your survey by October 15 please contact your housing office for information on receiving a replacement survey.
- Surveys are anonymous. Your feedback will be gathered by the independent company, CEL & Associates, who will then populate all comments to share with Lincoln Military Housing.
- Please Note: Surveys will include a Comment Card, which, unlike your survey, is not anonymous. The provided Comment Card may be used to note any housing or maintenance questions or concerns that you would like personally addressed.

Please submit your surveys as soon as possible. We look forward to hearing your comments and suggestions.

Family Night Out at the Movies

Date: Friday, October 12

Time: 7:00 p.m. - 11:00 p.m.

Location: Annapolis Bowtie Cinema

RSVP by: Wednesday, October 10

Event Details: Gather the family and drive over to Annapolis Mall for an evening of free popcorn and a movie. We will have a reserved section of the movie theater. Popcorn and soda will be served before the movie, so that you will not be disturbed during your show.

Spaces are limited,
RSVP ASAP.

Spooktacular Fall Fun Day

Date: Saturday, October 13

Time: 12:00 p.m. - 3:00 p.m.

Location: North Severn Pavilion A
and B Bottom of Eucalyptus Road

RSVP by: Open Event

Event Details: Put on your costume and stroll on over to the park for an afternoon of fall fun. We will have a pumpkin patch, pumpkin painting, costume prizes, face painting, music, bounce house and warm chili.

Haunted Walking Tour of Annapolis

Date: Saturday, October 27

Time: 7:00 p.m.

Location: Maryland Inn
(Church Circle)

RSVP by: Friday, October 12

Event Details: With a rich history that goes back centuries and many buildings that date from the 1700s, it's no wonder that Annapolis has a fair share of legendary hauntings. Nearly every notable building in the historic district has a ghost story. Join us on a walk that you will remember for the rest of your life, if you dare! Drawing event spaces are limited.

Coordinator's Corner

Halloween doesn't have to be a scary holiday. As a matter of fact it can be a lot of fun for you and your children. Decorate your house in funny décor, like silly ghosts, goofy pumpkins and hilarious villains. Don't scare the kids off with spooky decor. Make your own decorations with your children, let them cut the pumpkins their own creative way. Remember, these are memories that will last a lifetime, so make it a happy occasion, not a frightening one.

Annapolis District News

- Please be aware of the children trick or treating on Halloween night.
- Please turn your porch light off if you do not wish to participate in the Halloween festivities.
- All children must be supervised when out trick or treating.
- Trick or treating hours are from 5:00 p.m. to 7:00 p.m.
- Please have the children wear bright costumes, reflection tapes, have a flash light or glow sticks to make themselves visible to passing cars.
- Please ensure that all candles are extinguished and your pumpkins are taken into your home after trick or treating is done, to deter pumpkin pranks such as smashed pumpkins on our sidewalks and streets.
- Please have a safe and wonderful Halloween!

Here are some tips for a safe night of Trick or Treating.....

- **Have each child carry or wear something lit**, such as a flashlight, glow bracelet or necklace, or flashing attire for visibility. Light-up shoes are also practical, and ever-so-noticeable on a dark Halloween night.
- **Adults should plan out a route in advance** and check it during the daylight for such obstacles that could trip up youngsters. Trick or treat in familiar neighborhoods or areas.
- **Obey the law.** Encourage your kids to follow all the regular rules for walking around. That includes looking both ways before crossing, obeying all traffic laws and using cross walks and crossing lights where available.
- **There is safety in numbers.** If they're old enough to trick-or-treat without an adult, tell your kids to stay in a group.
- **Avoid costumes that drag on the ground.** While cute initially, costumes that drag can trip up little feet, get caught on bushes, and create a tussle that sometimes results in the child wanting to remove the costume.
- **Pick costumes that are bathroom-friendly as well.** Parents should pre-plan a bathroom stop along the way.
- **Be sure a child's mask allows full visibility and breathing.** Some masks only have small eye slits and nothing for the nose or mouth. Parents should try on masks for size and not hesitate to cut out larger openings for a trick or treater's comfort. Children also enjoy wearing makeup - try this instead of masks.
- **Trick or treaters should walk**, not run, and should never cut across lawns or driveways. Obstacles could exist that aren't readily visible in the evening.
- **Only trick or treat at houses that are lit.** Residents who do not wish to be bothered by trick or treaters often leave off their lights as a sign; respect their preference.
- **Think "practical" over "cute" when picking a trick or treat goody bag or container.** Some of seemingly-fun ones sold in stores are heavy--before any treats are added; others are too long and will drag the ground or have sharp edges that could scrape against tender skin.
- **Keep track of time and don't trick or treat after 7:00 p.m.** That allows ample time for children to trick or treat, and by then, the excitement of the evening and the candy/treats means little ghouls will be tired, anyhow.
- **Candy has a shelf life and can go bad**—especially if it's made of chocolate. Check all dates on candy before allowing youngsters to eat it. Also, don't let your kid munch the treats while they're out. You want to look at everything before they eat it. Toss anything that's open or homemade.

And the most important tip ... Have a great time! Make sure your kids have tons of fun and get lots and lots of candy!!!!!!!
