## **Dec. 7 Commemoration Marks 68<sup>th</sup> Anniversary of Pearl Harbor Attack**

*Public is invited to ceremony taking place on board Naval Station Pearl Harbor’s Kilo Pier and other commemorative events.*

**(PEARL HARBOR, HAWAII)** -- The National Park Service and the U. S. Navy will host a joint memorial ceremony commemorating the 68th anniversary of the attack on Pearl Harbor on December 7<sup>th</sup> on board Naval Station Pearl Harbor’s Kilo Pier from 7:40- 9:30 a.m. The theme of the program is “But Not in Shame: The Aftermath of Pearl Harbor.” The Kilo Pier venue looks directly out to the USS *Arizona* Memorial situated in Pearl Harbor approximately half a mile away.

More than 2,000 distinguished guests and the general public will join military personnel, both active and Pearl Harbor survivors, for the annual observance of the 1941 attack on Pearl Harbor.

The theme of this year’s historic commemoration, “But Not in Shame: The Aftermath of Pearl Harbor,” will reflect on remembering the brave efforts of those who continued the battle that expanded throughout the Pacific after the devastation at Pearl Harbor. The Pacific War itself was fought on a gigantic stage that covered nearly half of the earth and would last for 44 months. Battles were fought on sea and land and the loss of ships, aircraft and men was unparalleled in the history of the Pacific. For military who serve today and the public, this ceremony provides a study of lessons learned and an opportunity to express gratitude towards the Pearl Harbor and Pacific War veterans for their sacrifices and perseverance towards victory.

Allan Millett, PhD, Director of Eisenhower Center at the University of New Orleans, will serve as the keynote speaker for the commemoration. A retired colonel of the Marine Corps Reserve, Dr. Millett is a specialist in the history of American military policy and 20th century wars and military institutions. He is one of the founders of the internationally renowned military history program at The Ohio State University. Dr. Millett currently directs the Eisenhower Center for American Studies at the University of New Orleans, and serves as the Senior Military Advisor for the National World War II Museum.
