

Limnoupolis Water Park

Directions & Info

DRIVE Via National Highway (40 min)

Leave NSA, proceed to NAMFI; take right off round-about towards Chania. At second round-about, turn right towards SOUDA. Continue on this road until it ends at a stoplight in the town of Souda (an INKA Supermarket will be on your right). Turn right at the Supermarket, then left at the very wide intersection, heading towards the mountains. Turn right onto the Nat'l Hwy, towards Chania (and Kastelli). After 4 miles, take the right-hand Omalos Exit (there's a large Limnoupolis sign). Continue to the stop sign and turn left, going back under the Nat'l Hwy. Follow Omalos Road for about 2.5 miles, and turn at the large Limnoupolis sign (there's also a sign for the village of Varipetro). Continue for 0.9 miles, then turn left at another large Limnoupolis sign. Follow for 0.8 miles, you will see the water park.

DRIVE Via Downtown Chania (50 min)

Leave NSA, proceed to NAMFI, and take a right off round-about towards Chania. Continue all the way through downtown Chania, until you are on the western edge of the city. You will come to a stop light intersection with a little bridge in the middle. Turn left onto Omalos Road (indicated by an OMALOS sign), continue on this road (you'll pass under the Nat'l Hwy); after 2.4 miles turn left at the large LIMNOUPOLIS sign, and a sign for the village of VARIPETRO. Proceed 0.9 miles and turn left at another large LIMNOUPOLIS sign, then left again. Continue for 0.8 miles and you will see the water park.
