

U.S. Naval Air Station Sigonella Environmental Management System

What does everyone need to know?

Our Commanding Officer's Environmental Policy is:

Comply with rules

Always improve

Reduce waste

Eliminate pollution

- Know what environmental and work procedures apply to your job
- Follow your procedures and know how to access them
- Know how your job impacts the environment (spills, waste generation, recycling)
- Know what to do in the event of a spill or emergency:
Call 911 on base, or 095-86-1911 off base
- Take environmental training at <http://navfac.ecatts.com>

Registration password "navfac". Call Environmental Office at 624-2463 or 624-2725 for help.

POC: EMS x6931, Haz Waste x2463, Drinking Water/Wastewater/Storm water x2722, Solid Waste x2719
