### **Joint Base Anacostia -Bolling (JBAB) Environmental Policy**

Joint-Base Anacostia-Bolling's (JBAB) mission is to provide exceptional mission support and base services through pride, teamwork and excellence. JBAB is dedicated to providing the highest level of support and quality of life services for all operating forces and support services on our installation.

Every JBAB employee, whether military, civilian or private contractor, regardless of rank or grade is responsible for performing their duties in a manner that protects the environment, prevents pollution, and conserves our natural and cultural resources.

In JBAB's Strategic Priorities, we are committed to actively and positively engaging our neighboring communities, and being a good steward by:

- Adhering to all applicable environmental and other regulations and policies (Federal, State and local regulations, and Department of Defense, Navy and JBAB policies);
- Preserving natural and cultural resources and participating in efforts to improve environmental protection and understanding our communities;
- Setting and reviewing our environmental objectives and targets to evaluate the effectiveness and continual improvement of our Environmental Management System (EMS);
- Using sustainable resources to modernize facilities and the installation infrastructure;
- Conserving natural resources by reducing, reusing and recycling materials; as well as purchasing and using products made from recycled materials;
- Developing and improving operations and technologies that minimize waste generation, prevent air and water pollution, and minimize health and safety risks;
- Being responsible users of energy and water, including their conservation and improved efficiency;
- Communicating this policy to all military, civilians and contracted personnel to encourage a strong commitment for environmental stewardship and enhancement of our EMS; and
- Enhancing communications and partnerships with local and federal government agencies.

Anthony T. Calandra  
Commander, JBAB
