## SCHOOLS

One of the biggest challenges families face during the PCS cycle is determining which schools are best for their children. The Navy now employs School Liaison Officers (SLOs) at each installation to aid families with their educational concerns. Below is an overview of school information for families stationed at NAS Patuxent River. For additional information and assistance, parents are encouraged to contact Dawn Simpson, the School Liaison Officer, at 301-757-1871 or [dawn.simpson@navy.mil](mailto:dawn.simpson@navy.mil).

**Maryland public schools were rated #1 in the country in 2009 and 2010 by Education Week, Newsweek, and the College Board for their high quality programs.**

**Maryland State Department of Education** ([www.marylandpublicschools.org/MSDE](http://www.marylandpublicschools.org/MSDE))

MD State law requires that all children attend kindergarten (or an equal non-public program) before they enter first grade. The age requirement for kindergarten in MD is five (5) years old by September 1<sup>st</sup>. All third (3<sup>rd</sup>) through eighth (8<sup>th</sup>) grade public schools administer the Maryland State Assessment (MSA) tests for reading and math. “Report cards” for each school’s MSA are available at [www.mdreportcard.org](http://www.mdreportcard.org). Students must attend the school designated for their residential area. Each county’s school website offers boundary maps and the School Liaison Officer also keeps a file of school districts and bus routes for each residential area.

### **Maryland Graduation Requirements**

Requirements are posted at [http://www.msde.maryland.gov/MSDE/testing/hsg\\_qa/overview.htm](http://www.msde.maryland.gov/MSDE/testing/hsg_qa/overview.htm). There are several district-specific variations on the MD requirements for graduation. Refer to the county’s websites for more information and/or call the School Liaison Officer for assistance. In addition to academic course requirements, students are required to pass English, Biology, and Algebra High School Assessments (HSA’s).

### **Registering for School**

For information on registering for school, parents should contact the school district, visit the school website, and/or contact the School Liaison Officer. Common documents necessary to register a student include: the student’s birth certificate, proof of residence, Social Security Number, and a Withdrawal/Transfer form from the previous school. An up-to-date Immunization Record and Health Evaluation Record (physical) will be required if entering Maryland public schools for the first time. If enrolling in a private school, contact the school beforehand to find out which documents are necessary.

### **Schools in the Region**

#### **Public**

St. Mary’s County Public Schools — [www.smcps.org](http://www.smcps.org) or 301-475-5511-- NAS Patuxent River is located in St. Mary’s County and most dependents of the base personnel attend these schools.

# **BACHELOR HOUSING ASSIGNMENT POLICIES**

## **Assignment.**

The Commanding Officer, NAS Patuxent River, has established centralized assignment procedures.

- All single E-1 through E-4 personnel shall be assigned to adequate quarters. Personnel desiring to move off base must run a chit through their command, receive financial counseling and have the chit processed through Bachelor Housing (BH). BAH will not be granted unless occupancy is above 95%. However, personnel will be placed on the waiting list.
- Personnel in pay grades E-5 and above are considered space available for berthing.
- There is no permanent party berthing for officers at NAS PAX.

## **GEOGRAPHICAL BACHELOR POLICY**

In accordance with CNIC instruction 5009.5 only 5% of the total permanent party bed spaces can be used to accommodate Geographical Bachelors (GB). The 5% can be increased up to 15% with regional approval. NAS Pax River's allowable percentage is 10%. A Geographical Bachelor is anyone drawing BAH at the dependant rate with orders that allows for the transfer of their dependants. GB's are berthed in a MOD regardless of rank, six rooms per MOD and share a common use head with all residents in that MOD. GB's are berthed in a space available basis and will be displaced for personnel of higher priority.

Only the GB Board can designate personnel as GB's. It is the boards' responsibility to determine the status of each person requesting GB accommodations i.e. space available, permanent protected status, specific period of time etc. Service members will not normally attend the board.

All personnel requesting to reside in Bachelor Housing while drawing BAH at the "with dependant rate" will be required to fill out the appropriate paperwork to be placed on the waiting list and any additional paperwork required to be considered for GB status.

Personnel claiming EFM status but have orders that allow for the transfer of their dependants will have to follow the same procedures as everyone else, and they will not bump anyone on the waiting list. Personnel on unaccompanied orders with an EFM status (normally EFM CAT V), will have priority over others on the waiting list however, supporting documentation must be provided prior to any action being taken.

If space is not available in BH quarters upon arrival and there is availability in transient quarters, PCS personnel may reside in Navy Gateway Inns & Suites (NGIS) (**paying quarters**) for a period of 30 days, anything beyond 30 days will be considered on a case-by-case basis however, 60 days is the maximum time authorized for PCS personnel to reside in NGIS. Members are strongly encouraged to use this time to find alternate accommodations. Extensions will not be granted for personnel who have been offered a house by the Housing Department but declined because they are holding out for a specific area.

If BH quarters are not available after their allotted time in NGIS service members must vacate and find alternate accommodations.

Ensure that sponsors are well versed on the GB situation at PAX and that incoming personnel are taking the appropriate steps in advance, to address their housing issues.

***Contact the Bachelor Housing Manager at 301-757-5517 or DSN 757-5517 or Bachelor Housing LCPO at 301-757-0666 or DSN 757-0666***
