

## ADVENTURE CLUB

"Expect the Unexpected" is the motto of the Adventure Club! A component of MWR's Outdoor Adventure Center, the Adventure Club's goal is to explore the Island of Crete to its fullest, off the beaten track and into the unknown.

Contrary to popular belief, you don't need to be a world class athlete to participate! Interest and a desire to investigate the island to the utmost are enough. Exploring Crete's fascinating caves and going hiking are certainly a part of the picture; so is merely wandering around picturesque villages and archaeological sites, letting whatever happens—happen.

Adventure Club trips focus on checking out archaeological and ancient sites, monasteries—anything of historical significance.
