

Dear NSA Families,

My name is Rosalie Berrios and it is my pleasure to serve as your Command Ombudsman. My husband and I have been stationed in Bahrain for a year and a half now.

As many of you may already know, Ombudsmen are here to assist Navy families. We act as a link and liaison between the Command and families, and we communicate information about the Command and community resources that are available to families.

I am here to support the Command's mission. I am here to help you with all the challenges you may face. I am committed to serving you with the highest standards of professionalism, patience, reliability and confidentiality.

Please call me if I can be of any assistance to you. Your questions, comments and concerns will all be held in the strictest confidence, within the guidelines defined in OPNAVINST 1750.1D—the Navy Family Ombudsman instruction. I am available 24 hours a day for emergencies at 011-973-3965-9806 and you can email me at [nsabahrainombudsman@gmail.com](mailto:nsabahrainombudsman@gmail.com).

Standing by, Ready to Serve,

*Rosalie Berrios*
