JBPHH to test mass warning and notification system on Sept. 2

PEARL HARBOR-HICKAM - Joint Base Pearl Harbor-Hickam will conduct a coordinated test of its mass warning and notification system in conjunction with the State of Hawaii warning system at 11:45 a.m. on Tuesday, Sept. 2.

All Giant Voice (GV) outdoor towers will sound a 60-second warning tone. Buildings equipped with Indoor Voice (IV) will also sound a 60-second warning tone as well as activate fire alarm strobe lights. This is a required monthly test of the emergency warning system in cooperation with the State of Hawaii. Please report GV or IV units that do not activate to jbphh.oem@us.af.mil.

As needed, updated information will be posted on the Joint Base Pearl Harbor-Hickam Facebook/Twitter and website at www.cnic.navy.mil/pearlharbor-hickam and recorded on the JBPHH StraightTalk line at (808) 421-4000. Base residents can also find updates on Joint Base Television, Oceanic Channel 2.
