## **JBPHH to hold anti-terrorism drills on Aug. 26 & 27 for Citadel Pacific**

PEARL HARBOR-HICKAM - Joint Base Pearl Harbor-Hickam will conduct field training drills on Aug. 26 and 27 as part of the anti-terrorism exercise, Citadel Pacific 2014. The exercise is designed to enhance the training, readiness and capabilities of Navy security forces and other personnel in response to threats to Navy installations and units.

As part of Citadel Pacific, JBPHH will hold field training drills on Aug. 26 and 27, when increased exercise activities will take place at a few locations on base. Base personnel should expect to see and hear exercise announcements communicated via the giant voice mass notification system, computer desktop notification system, and other means. All announcements will be preceded and followed with, "Exercise, Exercise, Exercise."

On Tuesday, Aug. 26, the drill will take place at the Pearl Harbor Mail Center located at NAVSUP Fleet Logistics Center Pearl Harbor. The mail center will be closed from approximately 8 a.m. to noon on Aug. 26. Mail center patrons should plan accordingly.

On Wednesday, Aug. 27, drill locations will be at Naval Health Clinic Hawaii and Bravo Piers to test active shooter scenario response operations. Simulated gunfire will be heard, and increased security activity will take place in those areas on the morning of Aug. 27.
