JBPHH to conduct Major Accident Response Exercise on Aug. 21

Joint Base Pearl Harbor-Hickam and 15th Wing will conduct a Major Accident Response Exercise (MARE) on Thursday, Aug. 21 in preparation for the JBPHH Blue Angels Air Show on Sept. 27-28.

The MARE will assess the ability of the Joint Base, 15th Wing, and 154th Wing to successfully respond to a catastrophic aircraft accident involving multiple casualties and fatalities.

The exercise will take place at Hickam Ramp Row 23C in the vicinity of the Ke'alohe Par 3 golf course near Kuntz Ave. The base can expect to see increased activities in the area, including some security, fire, and ambulance response, and visible non-toxic generated smoke. Some activities may be visible from O'Malley gate. No gate closures will take place. Impacts to traffic and roads in the vicinity of the exercise will be minimal.
