**Release #BA01-15**

### **HART Update: Utilities work near Makalapa Gate to begin Jan. 20**

PEARL HARBOR-HICKAM - Beginning Tuesday, Jan. 20, the Honolulu Authority for Rapid Transportation (HART) will begin work on Kamehameha Highway near Makalapa Gate and Radford Drive, which will include single lane closures in the eastbound direction.

Drivers will experience staggered single lane closures along Kamehameha Highway in the eastbound direction for pole and camera installations, and intermittent closures of the right lane exiting Makalapa Gate heading east. Right turns onto Kamehameha Highway will be controlled from the center lane by Honolulu Police Department officers.

HART began roadwork on the Airport Section Utilities Project along Kamehameha Highway on Jan. 5. Work near Radford Drive includes staggered single lane closures in the westbound direction for potholing and utility probing. Construction work takes place from 8:30 a.m. to 2:30 p.m. Drivers should follow posted speed limits and other signs in the construction areas.

Contractor Nan Inc. is working closely with HART to provide weekly traffic updates. Visit HART's website, [www.honolulutransit.org](http://www.honolulutransit.org), for more information and traffic updates for all impacted areas relating to rail.
