City & County Satellite Vehicle Registration Office Opens Apr. 22 at Joint Base Pearl Harbor-Hickam

PEARL HARBOR-HICKAM - The new City and County of Honolulu satellite vehicle registration office at Joint Base Pearl Harbor-Hickam is open for business, with a grand opening and blessing ceremony at 10 a.m. April 22. The new vehicle registration office is located at 915 North Road, building 1314, in the Club Pearl Complex. It is open from 9 a.m. to 4:30 p.m. on Tuesdays and Thursdays only. The service is open to all military personnel, their family members and civilian personnel from all military bases who have base access.

Services provided include the following: All vehicle transactions; initial registration for vehicles previously registered in another jurisdiction (i.e. out of state, out of country, foreign); out-of-state permits; transfer of ownership; replacement of Hawaii plates and/or registration emblems; duplicate Honolulu titles and registrations; ordering of special plates, veteran plates, organizational plates; junking and storage.

In an arrangement between the City and County of Honolulu and Navy Region Hawaii, the new service at JBPHH is a one-year pilot program to provide limited motor vehicle registration services to all military personnel on Oahu. If successful, the program could be extended. Joint Base Pearl Harbor-Hickam was selected due to its central location on Oahu.
