Color Key

- **Green Border:** use this exact document, double click to retrieve full PDF. “29 CFR 1910.95 Occupational Noise Exposure Standards” is only required if your workplace has been declared a Noise Hazardous Environment in your most recent IH Survey.
- **Blue Border:** these documents are issued by the Safety Department; double click to retrieve full PDF. However, be aware that these forms are periodically updated – contact the Safety Department to make sure you have the current editions.

Color Key (continued)

- **Yellow Border:** the “OSHA 300 log” is signed by your command prior to Feb 1 for the previous year and should be posted at least through April 30 (we recommend you keep it posted all year).

This document and the “Latest Industrial Hygiene Survey” for your department are available from the Safety Department.

Color Key (continued)

- **Purple Border:** This document, the Monthly Safety Talk, can be found in ESAMS under Supervisor Links, Record OJT, Monthly Safety Talk (Given). The topic changes every month and its posting is optional but the document should be distributed throughout the workplace with a roster signed by each employee. The supervisor will then record the training in ESAMS.

Unsafe Unhealthful (USUH)Key

- USUH Form 1: there should be multiple copies of this blank form posted on the Bulletin Board (at least 3).
- USUH Forms 1-4: these documents can be posted on top of each other to save space, with “USUH 2” on top followed by “USUH 3”, then “USUH 4”, then copies of “USUH 1” on bottom.

Safety Policy

- Be aware that you need to post YOUR Commanding Officer's Safety Policy and in many cases, you may have another from another command. For example, JBPHH commands should have the Admiral's (CNRH) Safety Policy as well as the installation (JBPHH) CO's Safety Policy mounted on their board.
