

Command Philosophy

Mission: Strike Fighter Squadron TWO SEVEN will provide combat ready aircraft and personnel to deliver mobile air power in support of U.S. foreign policy objectives, while upholding Navy Core Values.

Authority: Be an authority in the critical task you perform. We protect the freedom, security, and prosperity of our Nation.

Communicate: Engaged leadership and continuous improvement are essential in our relentless pursuit of excellence focusing on mission accomplishment.

Excellence: We are an elite fighting force and act as instruments of diplomacy. We conduct ourselves with pride and professionalism and promote respect both **on and off duty**.
