IN REPLY REFER TO:

To NAS Oceana neighbors,

I want to thank you for your patience and cooperation as we work through this fuel spill associated with our neighborhood. We continue to monitor the local environment and assess the situation with the intent of keeping you informed to potential impacts.

Today, I want to make you aware that the Unified Command is offering to relocate you and your family should you desire to do so. This is a voluntary option and is not a mandatory requirement.

We are making the process as simple as possible. You can call (757) 544-2295 to obtain accommodation information, or send an e-mail to [oceanacomment@navy.mil](mailto:oceanacomment@navy.mil) with your contact information and a representative will get back to you and guide you through the process.

Again, I thank you for your patience as we work together to minimize the impact to you and your family. I also offer you another resource to keep you informed as we work through this incident:
