

Navy Service Members should not travel if they display a fever or other symptoms consistent with COVID-19 or if they have had close contact with someone who has tested positive for COVID-19 within the past 14-days.

Navy Service Members (military) will comply with any DoD, component, federal, state and local restrictions/guidance while in a leave/liberty status. Use of this worksheet is mandatory.

Navy Service Members (civilian and contractor) are encouraged to comply with any DoD, component, federal, state and local restrictions/guidance while in a leave/liberty status. Use of this worksheet is voluntary.

Commanders and Supervisors will establish a means of communication with all Navy Service Members throughout the period of leave or liberty and post-travel actions as well as prescribing actions (i.e., post-travel ROM, if applicable) for their particular circumstances.

Navy Commanders and Supervisors may be more restrictive based on local risk assessment in consultation with public health authorities.

Additional considerations for Commanders:

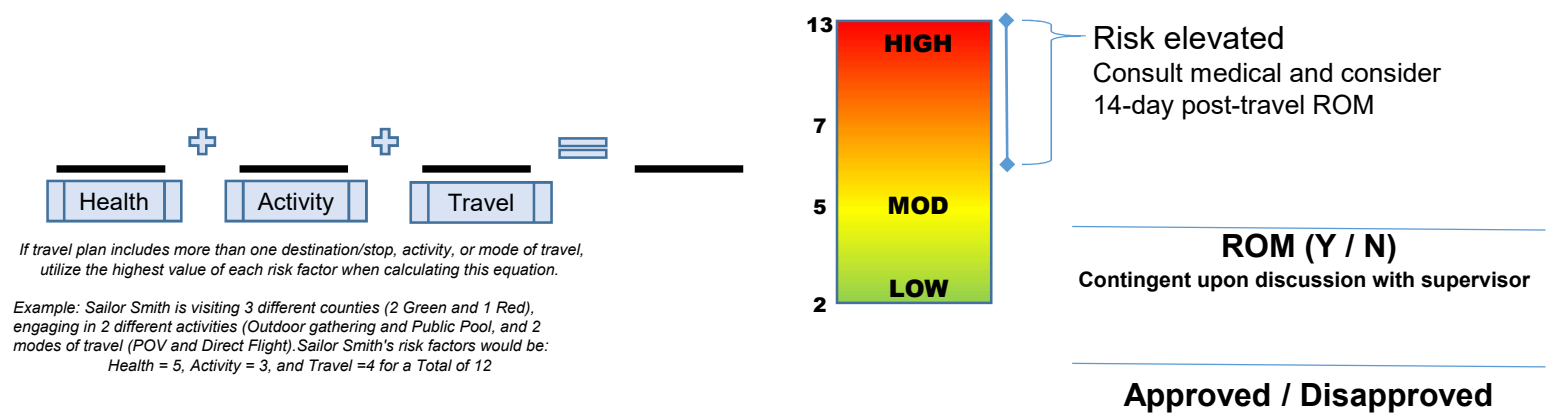

- Type of command
Mission Assurance status
Employment / OFRP Phase
Exposure to high risk individuals at work / at home
Higher Echelon Guidance, SOG 3.0, etc.

0 Green 0-15, 3 Yellow 16-30, 5 Red 31+

Activity & Expected Personal Responsibility Risk Assessment
1 Low, 2 Outdoor activities, 3 Hotel Stay, 4 Hair Salon, 5 High
Not inclusive, subjective examples
Indoors + Large Groups = Increased Risk

Mode of Travel
1 POV, 2 Multi-day POV, 4 Flight, 5 Multi-Stop Public Transportation, Cruise Ship

\*\*\*Before returning to work/duty, contact your supervisor to communicate any unplanned deviations from the above risk assessment and to gain situational awareness of potential changes in COVID readiness such as changes in HPCON\*\*\*

The Above Risk Assessment Assumes Strict Compliance to Health Protection Measures, Non-Compliance Increases Risk Factors!
