What is the MyNavy Family App?

The MyNavy Family application is the first tool by the U.S. Navy developed for Navy spouses and Sailors' families that combines authoritative information from more than 22 websites into a single, convenient application. Available information and resources cover a wide variety of topics within the following categories:

- New Spouse
- Parenthood
- Service Member Deployment
- Family Emergencies
- Mentorship & Networking
- Special Needs Family Support
- Counseling Services
- Transition & Retirement
- Employment & Adult Education
- Moving & Relocation
- Recreation, Lodging & Travel

This initial version of the app connects Navy families to information and resources to help them successfully navigate the complexities of the Navy lifestyle. In addition to a wealth of useful content, the app offers several features:

- Military Installation Search – Details information about every military installation around the world with contact information, base map, programs, and services, plus an overview of its mission.
- MyNavy Career Center – Provides a 24/7 resource for help and information, with in-app ability to call or send an email to a customer service representative.
- Emergency Contacts – Access websites and phone numbers for immediate support from a range of organizations, such as National Suicide Prevention Lifeline, Sexual Assault Crisis Support, National Domestic Violence Hotline, and others.
- Calendar – Add dates and events to calendars associated with a user's mobile devices.
- Content Sharing – Share information by using other mobile device applications, such as email, SMS text, and iMessage.
- Feedback – Provide input about the app content and use.

The MyNavy Family app was developed by a Spouse Advisory Tiger Team that was established by the Navy Sailor Experience Team. The Tiger Team included Navy spouses, along with the Ombudsman at Large, Navy organizations that provide services to Navy families, and several nonprofit organizations.

The app is part of a larger effort by the Navy to improve the experiences of spouses and families in order to promote strong Navy families and support them in every way possible. Download the app today!
