Reference (a), article 1050-130 provides additional guidance.

(2) Emergency leave is authorized when the existence of an emergency has been determined through verification by the American Red Cross, or at the Commanding Officer's discretion.

(b) If traveling to any foreign country or place having a medium or higher threat level, personnel may access the U.S. Department of State's travel warning link at http://travel.state.gov/travel/travel_1744.html. Countries where avoidance of travel is recommended will have Travel Warnings as well as Consular Information Sheets.

(c) It is the traveler's responsibility to ensure that prior approval from NAVPERSCOM (Pers 463C) is obtained (if applicable), a foreign travel brief/debrief is conducted (if applicable) and to obey all laws and regulations pertinent to the country or place visiting.

d. Unfunded Environmental Morale Leave (UEML). Per reference (d), Department of Defense (DOD) personnel and their family members at designated overseas locations are permitted travel on DOD-owned or controlled aircraft between approved UEML location and an approved UEML destination. UEML is a benefit which utilizes military airlift to provide relief by allowing those eligible to travel a higher Space-Available priority while traveling on UEML orders. UEML travelers may use either regularly scheduled AMC aircraft or unscheduled aircraft of opportunity. HQ USEUCOM Vaihingen GE re-certifies UEML locations every two years (odd year cycle). Temporary Duty/TAD personnel are ineligible regardless of duration of their duty. UEML travel benefits are granted based on tour length of the sponsor. Authorized number of trips are as follows:

If taking OTEIP leave, mark block 10 (other) on leave papers and indicate OTEIP in space provided. If combining regular leave with OTEIP leave and to avoid member from being charged the

OTEIP leave as regular leave, a separate set of leave papers must be submitted for each type of leave. Reference (a), states that when a service member receives Consecutive Overseas Tours (COT) Leave travel, they shall not receive any incentive under the OTEIP for the same overseas tour. Reference (f) provides additional information on OTEIP. When inputting E-Leave through NSIPS the code for OTEIP is EXOS.

f. Consecutive Overseas Tours (COT) Leave. A service member, who receives COT leave travel, shall not receive any incentive under the OTEIP for the same overseas tour. The table below lists the criteria that entitles a member to COT leave travel:

NOTE: Unless COT travel is deferred by the NAVPERSCOM, the following rules will apply to execution of COT leave travel:

Reference (a), Article 1050-410 contains additional information on COT leave including guidance on the necessary documentation required to request deferment.

6. Liberty Policy

a. Reference (a) Articles 1050-280 and 290 provide Navy policy guidance on liberty. Liberty is time away from the command when not on official leave or travel.
