1. Purpose. To set forth the guidelines for implementation of the sponsor program per references (a) and (b).

2. Cancellation. NAVSUPPACT NAPLES INST 1740.2.

3. Background. Reference (a) requires every Navy command to maintain an effective sponsor program. The NAVSUPPACT Naples Sponsor Program has been designed to ensure that all newly assigned personnel receive a personalized welcome and assistance in relocating to their new command. An effective sponsor program will contribute directly to the reduction of the anxieties normally associated with a Permanent Change of Station (PCS) move. It is important to the well-being and morale of personnel assigned to this command that there be empathic assistance provided by sponsors genuinely interested in the personal and cultural adjustment of new arrivals. As part of the sponsor program, training for the entire Naples Community is provided via the Fleet Family Service Center (FFSC) to designated sponsors to equip them with the information necessary to accomplish their responsibilities.

4. Policy. Assignment of division sponsors will not be delegated below Department Head/Division Officer level. The sponsor program is of sufficient importance at this command that positive, as well as negative, performance as an assigned sponsor may be noted in fitness reports and enlisted evaluations. The NAVSUPPACT Naples Sponsor Program will be under the cognizance of the Command Sponsor Coordinator as a part of the Administration

- 4 JUN 2010

PO John Q. Doe
Address

Dear PO Doe:

Welcome aboard! Congratulations on your orders to U.S. Naval Support Activity, Naples, Italy. As the premiere Naval Support Activity in the Mediterranean theater, we provide support to visiting and homeported SIXTH Fleet units; Regional Headquarters (NATO), Allied Joint Force Command Naples (JFC); and shore-based personnel in the Naples/Gaeta area. So, you can expect your tour to be exciting, challenging, and rewarding.

As for Naples itself, you couldn't ask for a more friendly or unique place to call home. Located on the west side of southern Italy on the Tyrrhenian Sea, Naples is a mixture of both old and new. Naples is a cosmopolitan city with a moderate climate and friendly people.

First and foremost, communication between you and the command will better enable us to ascertain your specific needs and how we can best assist you in your transition to Italy. To that end, the following numbers are provided to facilitate contact between you and the command.

The NAVSUPPACT Naples Command Sponsor Coordinator:

Commercial Phone: 011-39-081-568-XXXX or DSN: 314-626-XXXX. (there is a 6-9 hour difference from the continental United States depending upon which coast you reside)

E-Mail: NSA.CMDSPONSOR@EU.NAVY.MIL.

Your new address will be:

Rank/Rate Name
PSC XXX Box XX
FPO AE 09622-XXXX

Enclosure (3)

- 4 JUN 2010

Important phone numbers to NAVSUPPACT Naples:

NAVSUPPACT Naples Quarterdeck
Commercial: 011-39-081-568-5547
DSN: 314-626-5547

If you are transferring with family members, it is mandatory that they have "no fee" passports in their possession prior to your transfer. You may obtain these passports from your Navy Personnel Transportation Office or local Personnel Support Detachment (PSD). Although entry into Italy requires only a copy of PCS orders and military I.D. for the service member, I highly recommend you obtain a "Tourist" passport so you can enjoy the many benefits and travel opportunities associated with being stationed overseas. You should also obtain "Tourist" passports for your family members as well.

If you plan to bring house pets with you, there are several items to consider. Ask your Transportation Office to explain the specific requirements needed to ensure safe and legal passage for your small friend(s). You also should notify your sponsor of your intentions. This is very important, as the only kennel facilities offered to in-transit families are located on the economy and the kennel fees are not reimbursable by the government. Prior notification could possibly help you avoid the necessity of paying kennel fees if your sponsor or someone else from your new command is willing to house your pet(s) for you.

Welcome Aboard! I look forward to meeting you in the near future.
