

Factor 1: U.S. States and Territories, and Host Nations

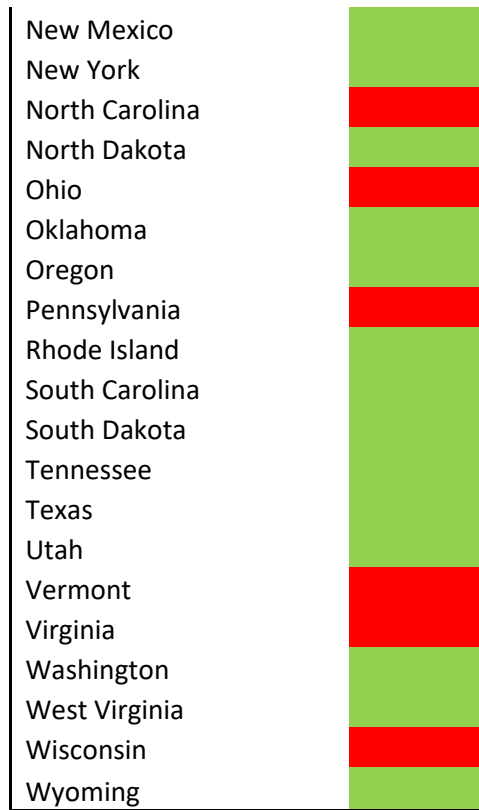

Unrestricted travel activities may resume between installations/facilities/locations when the criteria for U.S. states, territories, and host nations (Factor 1) are 'green' for both the gaining and losing U.S. State or territory or host nation, and when the applicable installation conditions (Factor 2) are also showing 'green' for both the gaining and losing installation/facility/location.
