Directions:

Coming from the local airport

By rental car:

Coming out of the local airport keep going straight and make a right turn following the signs toward Agia Triada. At the Agia Triada junction don't make any turns, keep going straight ahead. About 400 meters later you will meet a right turn towards Mouzouras village, follow that road through Mouzouras village and about 3 kilometers later you will be in front of NSA Souda Bay gate.

By taxi:

Ask the taxi driver to take you to the American Base in Mouzouras
(to avoid confusion with the Marathi piers)

If you rent a car we advise that you ask for directions to your destination from the rental agent and you request to be provided with a map of the local area.
