JBBPH INSTRUCTION 11000.1 CHANGE TRANSMITTAL 1

Subj: ZONE INSPECTION PROGRAM

Encl: (1) JBPHH Zone Inspection Certification Request

1. Purpose. To transmit pen and ink changes and new enclosure.

2. Action

a. Change JBPHHINST 11000 to read JBPHHINST 11000.1 in the header of each page.

b. At the top of page one to this instruction change Joint Base Pearl Harbor-Hickam Instruction 11000 to read JBPHHINST 11000.1

c. Add the attached JBPHH Zone Inspection Certification Request as enclosure (4).

d. Add the following text to paragraph 4 (d) and (e)

d. Tenant Command's that have an effective internal zone inspection program which meet the requirements of this instruction may request to have their program certified using enclosure (4). If approved, the JBPHH Inspection Team shall limit their inspection to the common areas around the Command's buildings vice conducting a full inspection of the Command's buildings. Annually, certified Commands shall validate their zone inspection program by submitting a consolidated list and status of open discrepancies to JBPHH ZIC NLT 15 January each year.
