AtHoc Mass Notification System Sign-up

The CFAO AtHoc Mass Notification System is an internet-based mass alert system in place to notify all Navy and related personnel on Okinawa during emergencies. If a significant emergency occurs that affects Naval and related personnel, to include family members, this system will be utilized to alert as many personnel as possible for notification, safety, security, and any required follow-on actions or requirements.

If you desire to be notified during such emergencies please fill out the following form and your information will be added to the CFAO AtHoc database. This is completely voluntary for family members and you may opt out at any time.

<u>Last Name*</u>	<u>First Name*</u>
-------------------	--------------------

<u>Sponsor Last Name*</u>	<u>Sponsor First Name*</u>
---------------------------	----------------------------

<u>Sponsor's Command or UIC*</u>	<u>Sponsor Projected Rotation Date (MM/DD/YYYY)*</u>
