

Regional Transient Personnel Department (RTPD)

Sasebo, Japan

Primary Mission

Moving fleet Sailors through the transient pipeline!

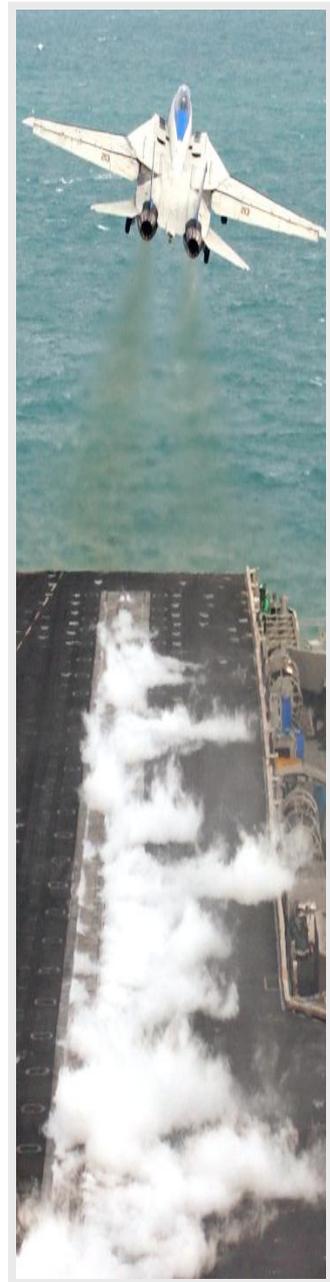

RTPD is dedicated to the premise of "Service to the Fleet" while complying with all applicable governing instructions. If you ever have questions, please contact the CPOIC immediately!

■ **Secondary Missions**

- Contingency/Surge Operations
- MEDHOLD/LIMDU berthing of authorized personnel per governing instructions.

■ **Primary Governing Instructions**

- BUPERINST 1306.77C - Manual for the Administration of Transient Personnel Units (TPU's)
- CFASINST 1306.1 - RTPD Manual

Regional Transient Personnel Department (RTPD)

Sasebo, Japan

Mission Details

▪ **Who we serve**

- RTPD serves personnel in the following categories.
 - **For Further Transfer (FFT)** – Personnel reporting/transferring to deployed ships.
 - **TADs** – Personnel, designated (by USNH) unfit for sea duty, awaiting LIMDU orders.
 - **Other personnel as defined by BUPERINST 1306.77 (series).**
- Limitations:
 - **We do not serve anyone without orders.**
 - **We do not serve anyone on cost orders (TAD or otherwise).**

▪ **What we do**

- Positively track all transients from check-in to check-out.
 - Daily sight musters.
- Provide berthing for all single personnel.
- Provide employment for all transients and TAD personnel.
- Provide administrative support for nearly any admin issue.
- Ensure all transients newly arrived to Japan attend AOB/ICR.
- Require all new check-ins to complete RTPD INDOC on what the rules/regulations will be during their visit, including in-depth instruction on CNFJ clothing, drinking and liberty policies.
