OUR MISSION

To facilitate the free exercise of religion for all authorized personnel by providing opportunities for worship, religious education, and spiritual development, to provide timely and effective pastoral care, and to promote the general well-being of the command personnel by providing counsel on matters of religion, morale, and ethics.

The Command Religious Program serves all hands in CFAS. Chaplains and Religious Program Specialists (RPs) ensure that spiritual needs of Sailors and all SOFA sponsored and their families are addressed, which includes visiting ships. While chaplains conduct and provide specific worship services and sacramental needs based on their religious faith groups, they also provide, facilitate, and advocate for freedom of worship of all faith groups. This is done in part through the certification and support of Lay Leaders who minister to specific Faith Groups that are not represented by a chaplain in CFAS

Lay Leaders provide unique religious ministries to their faith groups. If you are interested in serving as a lay leader, contact the Religious Ministries Office for more information. Certification that the individual has been identified by their faith group as a lay leader in the armed forces is required. Also required is a letter of recommendation from the leader of the home congregation or faith group. The candidate then receives lay leader training from a chaplain, which is followed by a formal letter of appointment by the Commanding Officer of CFAS.

COMMUNITY RELATIONS COMMUNITY SERVICE

COMREL/COMSERV

COMRELS are volunteer opportunities for those associated with CFAS and its Tenant Commands, and visiting ships. These usually involve service projects and/or interacting with local residents. Through COMREL projects, we are able to engage with the locals and build bridges for tomorrow. COMREL events will be posted and anyone interested should come to our office to sign-up. Also, Tenant Commands can request a COMREL for their Sailors, and this can be arranged through our office. Once it is confirmed, it is imperative that the Tenant Command ensures that the COMREL takes place.
