<http://www.minatomirai21.com/eng/>

Built mostly on reclaimed land, Minato Mirai 21 literally means “port of the future” with “21” representing the 21st century. This futuristic bayside project includes office spaces, shopping malls, museums, restaurants and hotels. Landmark Tower, Queens Square, Ferris wheels, and the Red Brick Warehouse are some of the major attractions in this area, and all are easily accessible from Yokohama Station.
