I.C.E. COMMENT
Comment: I live in base housing. What lightbulbs am I required to buy either at the Navy Exchange or out in town and what light bulbs does the base replace for me? Some of the light bulbs seem difficult and almost dangerous to reach and others seem a little unique and hard to find.

Response: Thank you for your submission to the Interactive Customer Evaluation (ICE) system. The Navy Housing Office does not provide lightbulbs to on-base or off-base housing residents. Replacing lightbulbs is the responsibility of the on-base tenant with the exception of lights that are deemed a safety hazard to resident. Please contact your Housing inspector or the Housing Office facilities Branch at 243-9067/6784 for more information. All of the lightbulbs that residents are required to change are available for purchase at either the NEX Depot, Building J1235, or the Commissary. The NEX Depot is open M-F 9 a.m. to 5 p.m. and Sat. 10 a.m. to 4 p.m. and the Commissary is open M-F 9 a.m. to 8 p.m. and Sat. and Sun. from 9 a.m. to 7 p.m.
