Pfizer and Moderna versions of the COVID-19 vaccine require two doses to be fully effective.

Please select which immunization dose you are wanting to schedule an appointment for:

**Initial Dose** ← To book your 1st dose, choose "Initial Dose"

**Second Dose** ← To book your 2<sup>nd</sup> dose, choose "Second Dose"

### Step 3b: Provide 1<sup>st</sup> Dose Information (2<sup>nd</sup> Dose appointments only)

You are requesting a second dose of the COVID-19 vaccine. Please tell us who manufactured the first dose you received and when you received it.

\* indicates a required field

\* Who manufactured the first dose?

Pfizer

Moderna

\* Date of first vaccine (mm/dd/yyyy)

**Next** ← Click "Next" to continue to the calendar.

If you are booking your 2<sup>nd</sup> dose, you will be prompted to provide your 1<sup>st</sup> dose information.

**Fields with an asterisk\* are required.**

Home

The CDC recommends that you schedule your second vaccine dose on or after 3/4/2021

**Next**

If you try to book your Second dose too early, you will see a similar message.

You will still be able to book an appointment, but you may be contacted later by staff to cancel your appointment if you did not book after the recommended 21-day wait period.

## Step 4: Find Available Appointments

Active appointment date boxes are indicated in teal.

**NOTE:** A date box will remain teal even if there are no available appointments left for that day.

To choose a date, **click on the day number** to access available appointment times – NOT just the date box.

If you choose a day without active appointments, it will turn **green** when selected.

After you choose a day with active appointments, you will see the appointment time slots appear to the right of the calendar.

**Unavailable** appointments are grayed out and disabled.

**Available** appointments will appear darker.

## Step 5: Enter Your Information
